

# Christmas Conversation Starters

Use these questions to talk to your family and friends about Christmas and what it means. You may work these into normal conversation, but often they work best as part of a Christmas party or formal celebration with your family. You might ask a couple questions to the group and ask everyone to answer one or both of them. For young children, be sure check out the “Questions for Kids” section.

Choose questions from these lists that are appropriate for your group. Use your judgment.

To make this even more fun, go to the “Jar of Conversation” section on pages 2 and 3 of this pdf. Cut out the questions and put them into a jar (or two, if you have young children). Pass around the jar and have everyone answer the question they pick.
